MOOD:MIX QUICK START GUIDE

WELCOME TO MOOD MIX! WE ARE EXCITED THAT YOU'VE CHOSEN MOOD MIX AS YOUR ONLINE MUSIC SOLUTION.

1 To get started, simply go to http://mix.moodmedia.com with the credentials included in your welcome email. If you did not receive an email, please notify us at

2 The first time you log in, you will be prompted to create a Mix as part of a brief walkthrough. Once complete, simply click Next to proceed.

3 The dashboard in figure 1 is the primary screen for Mood Mix. To begin listening to the mix you created during your tutorial, click on the large "Play" button. To personalize what type of songs are played next, adjust the sliders on the Mood Mix Board and Like/Block any of the recently blocked tracks to further fine tune your sound.

4 To schedule your mix, select the "Schedules" tab on the left sidebar menu. Click on any day/time to open a scheduling window (figure 2). Then, simply indicate day/time, along with the particular mix and choose "Save."
